I Saul Coburn of (Draught) aged seventy seven, do testify and say, that I am acquainted with Samuel Cummings, and have been acquainted with him ever since he was a boy; that he has ever been an inhabitant of said Draught since my first acquaintance with him, except when he was in the revolutionary service; that he listed into our revolutionary army, near the beginning of the war of the revolution, for the term of three years, and I think he served the three years out; that he then listed and served six months more; and that he afterwards listed for three years more, and served that term out. (During the last term of three years, he served in the second regiment, under Col. Sprout, Major Gibbs, and I think Capt. Bradford. He is now an inhabitant of said Draught, and was at the time of his enlistment.
